Wow, this purebred bull calf really puts together the complete package. Lazer fronted, smooth shouldered and about three extra ribs over any other calf in the pen.

## DRSS Papa Smurf 32Z

Birthdate: March 10th 2012  
Birth Weight: 95lbs  
Percentage: Purebred  
(unregistered)

Daines Dr Seuss 79P  
Sire: Daines Sir Dr Seuss 30T  
Daines Miss Shaggy 106L

Dam: 94P (Maine Anjou  
(unregistered)

We have found these Dr. Seuss sons to be real female makers. The steer and bull calves are full of performance but the females you retain as replacements will have some of the nicest udders and wean you some of your best calves. This bull is full of muscle expression and will add some great pounds into your calves.
