

FOR IMMEDIATE RELEASE

An Opportunity for Youth to Pick Their Next Steer

Dun Rite Stock and Stables - Bentley Alberta

September 24th 2011 will mark the date of the third annual Dun Rite Stock and Stables Brothers From Different Mothers steer sale.

Doug and Katie Roxburgh love cattle and believe that cattle and kids together is an even better combination. This belief is the reason they continue to host an annual steer sale for 4-H members to select their next 4-H project. "Last year was a huge success and we plan to build on that success this year with more cattle and activities" said Katie Roxburgh.

The sale portion of the day will feature prospect show steers and MaineTainer bulls. All of the calves will be: vaccinated, halter broke, weaned, and clipped prior to September 24th. As a bonus all of these calves are extremely quiet and hairy.

Doug and Katie both believe that it is their responsibility to give back to the programs such as 4-H that have opened so many doors for them and influenced their lives in such a positive way. "It's a great feeling to host this sale, have the kids attend, select a steer and then watch them in the show ring next spring proudly showing a steer that they have spent hours with to get to that point." said Doug Roxburgh.
