

FOR IMMEDIATE RELEASE

An Opportunity for Youth to Pick Their Next Steer

Dun Rite Stock and Stables - Bentley Alberta

September 29th 2012 will mark the date of the fourth annual Brothers From Different Mothers prospect steer sale.

Doug and Katie Roxburgh love cattle and believe that cattle and kids together is an even better combination. This belief is the reason they continue to host an annual steer sale for 4-H members to select their next project. "Last year was a huge success and we plan to build on that success this year with more cattle and incentives" said Katie Roxburgh.

The sale portion of the day will feature prospect show steers, a feature heifer and MaineTainer bulls. All of the calves will be: vaccinated, halter broke, weaned, and clipped prior to September 29th. As a bonus all of these calves are extremely quiet and hairy.

New this year is the Brothers From Different Mothers Steer Challenge. The highest placing steer purchased from the 2012 sale and shown in the 2013 Lacombe District 4-H show and sale will receive a \$200.00 sale credit for the 2013 sale and a belt buckle custom designed and hand crafted by Usher Brand Silversmiths.

Doug and Katie both believe that it is their responsibility to give back to the programs such as 4-H that have opened so many doors for them and influenced their lives in such a positive way. "It's a great feeling to host this sale, have the kids attend, select a steer and then watch them in the show ring next spring, proudly showing a steer that they have spent hours with to get to that point." said Doug Roxburgh.
